

OSA 3627-63

28 June 1963

MEMORANDUM FOR : Acting Chief, Support Division, Office of Special Activities

SUBJECT : DD/R Monthly Technical Seminars

1. On 28 June [ ] who was recently appointed as Colonel Giller's technical assistant, stopped in to discuss in a very general way a proposed program for DD/R technical seminars.

2. As he explained it, Colonel Giller has asked that he work with ORD, OEL, and ourselves to develop a program of such seminars, which would be held once a month for a period of several hours, and which would be attended by as many as ten people from each of the offices. The objective would be to provide for an exchange of information between the major DD/R elements in order that there might be a better appreciation for what each element is doing that could have a bearing on other work going on in the DD/R.
